

Pre-scripting your actions

To increase conversions, the user must subscribe and accept terms of service with the same button,

Accept terms of service and subscribe to our newsletter.

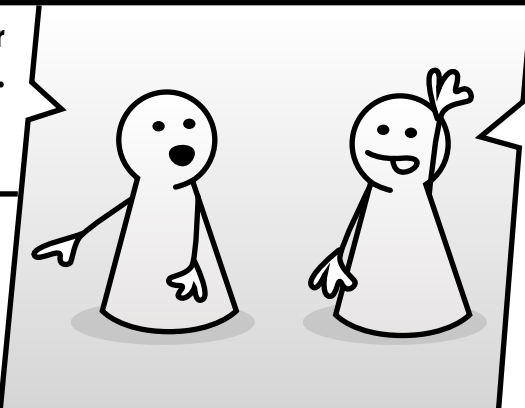

1

We need to remind the user to turn on location services. Make sure we remind them every week.

Please turn on location services so we can provide a better service.

OK No

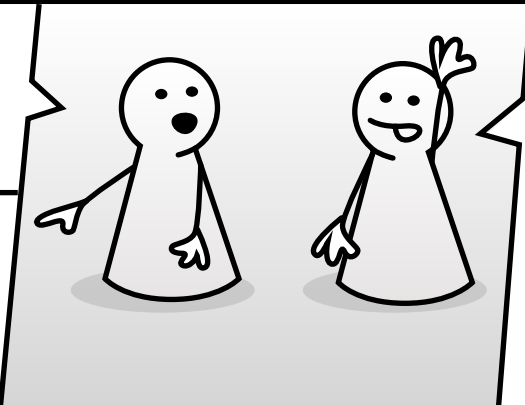

2

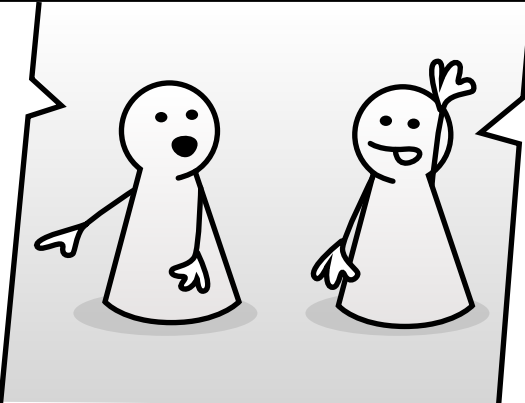

We should show how many calories you burn using pink cupcakes, to appeal to women.

This walk burns 414 calories, that's almost 4 mini cupcakes!
